

RESCUE MISSION / CRIME SCENE

Elijah Kolawole.

GAME DETAILS II

- A crime has just occurred in your neighborhood, several people are lying injured and dead on the floor. You were very lucky to be alive and unharmed. However, your darling wife has been captured / kidnapped by the assailant (enemy).

The rescue team (police , fire, and ambulance services,) are on the scene. You need to leave the scene asap to chase down the kidnappers who by now have headed for the wood/forest/wilderness. and a an office offered to help.

You can either

- A) Work with the police, or fire, or ambulance service to locate your darling wife
- B) Head into your truck and trace them down your self.

You will need

- 1. Survival kit
- 2. Ammunition
- 3. Gas for truck and even
- 4. Head light for the woods ...

Your primary goal is to safely rescue your wife from the hands of the enemy and remain alive yourself. You lose your strength and health as the enemy hits you, if your health gets too low, you die and lose your mission.

If you harm the enemy in any way , your health is renewed and you continue till you achieve your aim.

In any event, there are battles and obstacles to face and there are rewards as well. Make your choices accordingly.
